

# Green Fair Renovation

For more  
information  
visit our web site  
[www.michigansoybean.org](http://www.michigansoybean.org)

*The Green Fair Renovation is a competitive, 50% reimbursement for fairs who include agriculture in their programs. Total amount available for reimbursement is \$40,000 with no fair receiving more than \$20,000.*

*Example: If the fair renovates using soy products, and it costs \$40,000, the reimbursement would be \$20,000. But if the renovation with soy products cost \$50,000 the reimbursement would still only be \$20,000. If the renovation with soy products cost \$30,000 the reimbursement would be \$15,000.*

*Application Deadline  
December 14, 2016*

*Notification of Grant Recipients  
Will be announced at the Michigan  
Association of Fairs & Exhibitions  
Convention held in Grand Rapids  
January 12-14, 2017.*

## Green Fair Renovation

The Michigan Soybean Promotion Committee is helping county fairs renovate green.

*Green Fair Renovation* provides an opportunity for county fairs and farmers to work together to demonstrate the benefits soy-based building materials.

Through a competitive, application process, the Michigan Soybean Promotion Committee will provide \$40,000, 50% reimbursements with no fair receiving more than \$20,000 to qualifying fairs who use soy-based products for renovation.

For more information visit our web site at [www.michigansoybean.org](http://www.michigansoybean.org) and search Green Fair Programs
